The Twenty-Third Ordinary Session of the Seventeenth Term of Office held in Yateras on Saturday 29 at the cinema on September 28 in Palenque, it turned out to be another reliable example of the combativeness and commitment of the representatives of the people, in order to defend from the political , the economic and the social the conquests of our Socialist Revolution.

With the presence of the highest authority of the Party, the Government, Delegates and Guests, core issues for the development of this territory were analyzed and debated, such as a report from the economic and productive affairs commission on the situation of accounts receivable and pay, accountability of the Bernardo People's Council for integrated community work, the economic and productive affairs commission accounts for the activities developed to date.

With the courage and transparency that characterizes the delegates of this territory, they expressed their criteria and assessments about these issues in a critical and self-critical way, recognizing the objective and subjective problems that still limit the municipality to achieve the progress that our people demand and need. employee.
